

## ON THE JOB TRAINING 2023

Name of OJT : \_\_\_\_\_  
School : \_\_\_\_\_  
Date Started : \_\_\_\_\_

### Assigned Task

#### Ecommerce Landing Page

- Centered a clear objective of getting customer to complete a purchase.
- Make it dynamic so other businesses can use

#### Specifications:

- Contains only 1 Call to Action (CTA) which is Purchase or Buy. Use payment option Gcash, Paymaya and provide COD
- No additional pathways such as site navigation – single page only
- Create Admin dashboard to see the list of purchased items
- The page should include: banner/header, description section, product listing (maximum of 10 slots), product description under each product, testimonial section, then CTA

For further questions please contact us.

\*Note: Once this document is signed we will send you an online timesheet. This will be discussed further upon release.
